## Move-Out Letter

Dear \_\_\_\_\_,

We hope you have enjoyed living here. In order that we may mutually end our relationship on a positive note, this move-out letter describes how we expect your unit to be left and what our procedures are for returning your security deposit.

*Please see the Move Out Checklist provided below to assist you during your move*

We expect you to leave your rental unit in the same condition it was when you moved in, except for normal wear and tear. To refresh your memory on the condition of the unit when you moved in please consult your Move In & Out Inspection Form that you filled at the beginning of your tenancy.

Once you have cleaned your unit and removed *all* your belongings, please email me at [1999properties@gmail.com](mailto:1999properties@gmail.com) or notify me in writing to arrange for a walk-through inspection and to return all keys. Please include a forwarding address where we may mail your security deposit in the email or written notification that you provide.

After you have vacated the rental, it will be inspected and we will take additional photos and video footage for compliance with your lease agreement. It's our policy to return all deposits either in person or at an address you provide within **60 Days** after you move out. If any deductions are made -- for past due rent or because the unit is damaged or not sufficiently clean -- they will be explained in writing.

If you have any questions, please contact me at **270-765-3654**.
